to choose and vote

The Presidential election attracted much campus attention during the fall trimester. Student partisans attempted to sway the votes of their undecided fellow classmates.

The focus was on the Democratic and Republican candidates. Ford displayed his abilities to many as a stable leader as President. To others he appeared monotonous. Carter's 'down home, breath of fresh air' style attracted much of America, but by some he was ridiculed as a backwoods nobody.

The pre-convention campaign kept both men seeking verse, votes and victory. After nomination, the virtual two man fight captured attention via television debates, handshakes, volunteers, Walter Cronkite, pamphlets, and practically every other source of Americana offered. The election and its surroundings may have appeared as folksy as apple pie, but its effects penetrated to all the world.

And when it was all over, they called Jimmy Carter Mister President.

as a nation

During the summer, students celebrated 200 years of freedom in the United States at fireworks displays while younger brothers and sisters marched in drum and fife corps. The freedom train traveled to major cities across the nation. Smaller cities participated in the birthday celebration by painting their fireplugs red, white, and blue.

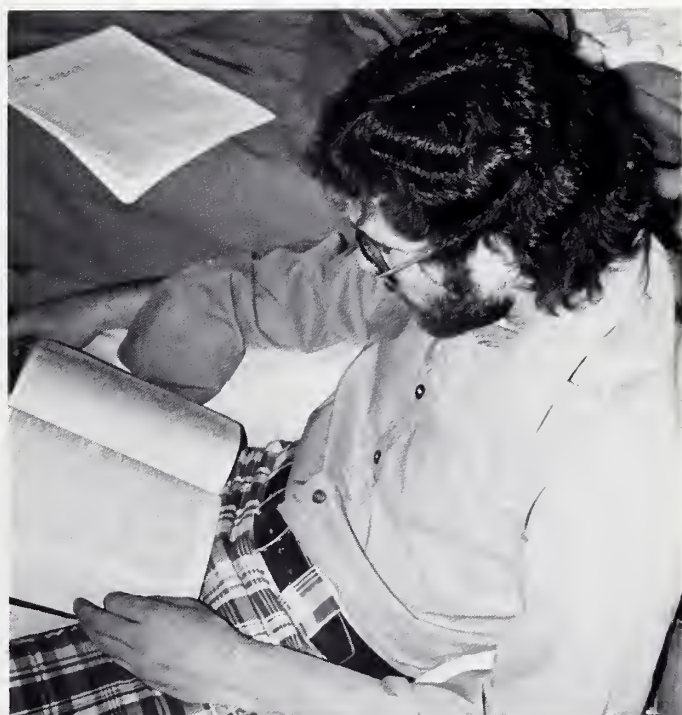

in Christ

On August 3, 1976, Benjamin P. Browne died. On August 6, Judson held memorial services for its 83 year old founder. In memory of what this man had done for all of us, a Benjamin P. Browne Memorial Scholarship Fund was started.

Yet life goes on. We sought to grow closer to Christ through prayer, study of God's word, loving each other until the day we too would join Christ for eternity.

to grow

In the fall of 1976 we converged here, over 422 students. We came from Ethiopia, Greece, Mexico, El Salvador, California, Minnesota, Arizona, New York, Iowa, Pennsylvania, Delaware, Indiana, Illinois, Missouri, Ohio, Michigan, South Dakota, Wisconsin, Maine, Kansas, Colorado, Arkansas, New Jersey, and Alabama. Within this broad geographical representation there was a further breakdown between large families and small families; urban, small town, and farm; American Baptists, General Baptists, Southern Baptists, Catholics, and several other Protestant denominations. Even with all of this diversity most came as Christians seeking a liberal arts degree in a Christian atmosphere.

After arriving on campus, the overall impression seemed to be that everybody was alike. However, it took only a few weeks for a discerning observer to realize that there truly were differences among us; not drastic crippling differences, but healthy ones which allowed room for new ideas and growth. We were disciplined but still free to grow, to be an individual, to express ourselves, and hopefully to improve. This did not take place without some tension as a result of the diversity and occasional conflict over rules.

Jesus said in John 8:31-32, "If you abide in My word, then you are truly disciples of mine; and you shall know the truth, and the truth shall make you free." Verse 36 continues the thought, "If therefore the Son shall make you free, you shall be free indeed." For most, the Judson experience resulted in a greater knowledge of Christ and the discipline and demands Christianity places upon us. Discipline did not stifle our individuality and growth but gave it a direction and purpose. We could say, "In Christ I am feelin' free indeed."

In Volkman Hall students found life a little different than DR and Ohio Hall. Members of the opposite sex were only one floor away instead of across the parking lot. Now four people had to sleep in a bedroom made for two. After this it became necessary to adjust to little kids running around and college students who still indulged in water fights. Winter trimester brought the ever imminent risk of slipping on the icy stairs. Spring trimester the only danger to one's life was drowning in the lagoon as a result of being thrown in.

Organized activities throughout the year sponsored by the dorm officers and RA's were a watermelon feast fall trimester, a fondue party winter tri, and various eating study breaks in the dorm lounge.

DORM LIFE — D.R.

Dining-Residence Hall was the dorm that changed the most this year. The Eyrie and D-R lounges were redecorated; they looked quite plush as the year began.

Professor Ted Hsieh's parents came for a visit, too. Mr. Andrew Hsieh and his wife, Susie, were welcome visitors who gave Judsonites a new look at Christianity.

But, Hsiehs did not stop there; for two whole months the campus-wide question was: is she or isn't she? Only her gynecologist knew, then, for sure. On May 15, 1977, Benjamin Hsieh answered all possible questions.

1. Cynthia Martinez, one of Judson's telephone operators, busy at work. Jim Bowling holds up the desk.

GRADUA- TION

In "Move On Over Jordan," the theme of Dr. Ted Cole's graduation address, the graduates were encouraged to take the initiative in life, trusting in God and in all things praising His Name. But graduation was more than a one day service. It culminated three or four years of work, study, and fun. The end of a step in growth and life style. Yet, it signified a beginning, a new challenge to be met . . . To this end we toil and strive, because we have our hope set on the living God, who is the Savior of all men . . . I Timothy 4:10. Winter trimester, before Christmas vacation, members decorated several trees on campus with popcorn for the birds and enlisted the aid of the campus in ringing bells for the Salvation Army. After Christmas the club donated money to the India Fund and organized one of their main projects, a volleyball marathon for MS.

In Spring trimester some meeting times were changed from Tuesday at 10:15 a.m. to 6:00 p.m. This was done in order to have dinner meetings with guest speakers. Also during this tri, Circle K planted lilac bushes which had been donated to the campus in Dr. Browne's honor; and solicited donations for Cystic Fibrosis on their Lollipop Day.

Downstate Illinois and Keokuck, Iowa were the destinations for winter tour. The choir set out with high hopes for spring tour toward the western United States. Many concerts were given in Kansas and Colorado Springs without any mishaps. But unfortunately at Denver the climate changed and they were snowed in for a day. Yet time was taken for a short visit to Dr. Amos Barton, ex-president of Judson. The rest of the tour wound back through Nebraska, Iowa, and home to Illinois. Another tour was taken during spring tri to Iowa and Wisconsin with a stop for fun at the Wisconsin Dells.

STUDENT SENATE

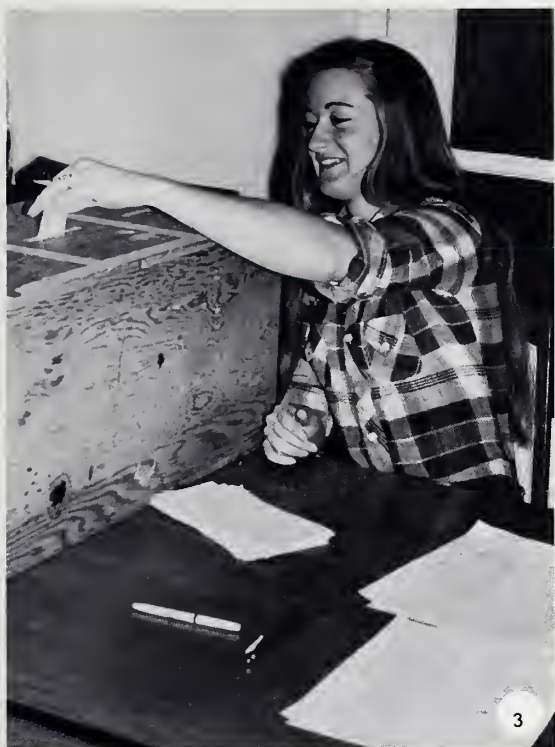

The 1976-77 Student Senate made many changes in Judson's policies, problems, and even publications.

They took action toward many common problems such as dorm fines and traffic fines. Also the food committee was activated and the total atmosphere of student forums changed. The fountain which was installed in the lagoon was also part of Student Senate's activities. WJUD was removed from the jurisdiction of the Senate and given to the CA department along with a revised system for publications which will go into effect in the 1977-78 school year. Along with this list of accomplishments goes a revised Constitution. Also, a new issue arose with a tie vote in the elections for 1977-78 Senate president. A re-vote had to be taken a week later.

CLASSES AND OFFICERS

1. Senior Officers — Niel Dawson (Secretary), Vicky Wilson (President), Bill Schultz (Vice President), and Marelu Hammond (Treasurer).
2. Middler Officers — Don Rissler (Treasurer), Jean Feely (Secretary), Kevin Bercaw (President). NOT PICTURED: Chris French (Vice President).
3. Freshman Officers — Zannette Lovett (Treasurer), Malcolm LeFever (President), and Wendy Emerson (Secretary).

The seniors sponsored an ice cream social in the Eyrie for Homecoming, held a pumpkin sale, and set a new precedent by ordering hoods for graduation.

A banner contest was the middler class' project for Homecoming. They were also responsible for three films shown on campus: **THE POINT**, **THE BAREFOOT EXECUTIVE**, and **BLESS THE BEASTS AND THE CHILDREN**. Their final project was providing food and servers for the first annual senior farewell gathering.

A slave auction, drinking contest, water balloon fight, tug-of-war, jello slurping contest and a banana split contest were the activities the freshman class sponsored for Homecoming. Capturing a lot of attention in the cafeteria was their India Fund for which many male students shaved their beards.

One other activity in which all three classes participated was the Christmas Eyrie decorating party at which the seniors walked away with the most awards.
